Dear Mr. Kennedy:

Re: Declaration of Exemption Request for the Nova Claims,
DOE/021/004, Iron County, Utah

The Division of Oil, Gas and Mining has received your request for Declaration of Exemption (DOE) status for the Nova Claims Number 1, 2, 4 and 5 located in the NE 1/4, NE 1/4 of Section 34, Township 37 South, Range 14 West, Iron County, Utah. The Division of Oil, Gas and Mining hereby recognizes a DOE for the Nova Claims. We encourage coordination between the U. S. Forest Service and GHKP Associates.

A copy of the Utah Mined Land Reclamation Act and a copy of an MR-1 Form is enclosed for your information. Should the small proposed disturbance for the claims be enlarged such that the operation would be greater than two acres, then this form must be filed and a permit approved for the mine site.

When a member of the Division staff is in the area a site inspection will be scheduled. In reply please refer to DOE/021/004. Thank you for your cooperation.

Sincerely,

Thomas J. Suchoski
Geologist
